**Typical Wiring Diagram for Shaded-Pole Motors**

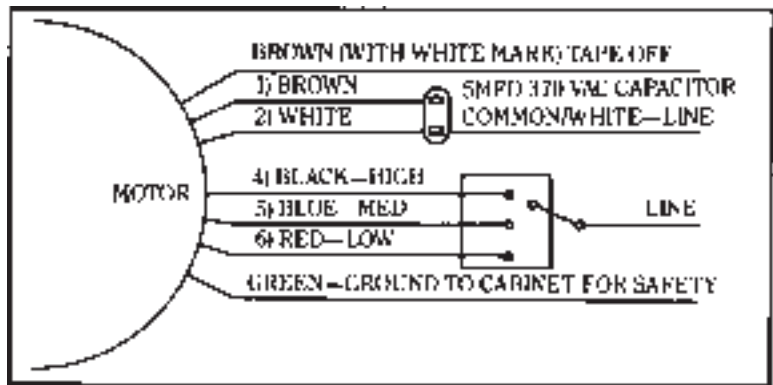

Standard wiring: motor makes as used by FASCO and most other manufacturers for Shaded-Pole motors.

**Typical Wiring Diagram for PSC Motors**

Permanent Split Capacitor motors have many different kinds of wiring arrangements. The standard for FASCO and most other manufacturers is shown.

When the original motor does not have two separate capacitor leads and the original wiring pattern is desired, the following wiring diagram can be used on FASCO 700 series motors.

### TERMS & CONDITIONS

In consideration of credit being granted to the applicant by APPLIANCE PARTS COMPANY for the purpose of goods and services from APPLIANCE PARTS COMPANY the undersigned applicant agrees to the following terms & conditions:  
 A. We agree that any special ordered parts will automatically be charged to this account and we agree to pay for these parts.  
 X \_\_\_\_\_ initials  
 B. That all purchases and other charges incurred by the applicant will be paid on or before the 10th of the following month from date of such purchase or the incurring of such charges.  
 C. To pay late payment fees on the unpaid portion of all the outstanding balances at the rate of 1.5% per month and late payment fees shall be calculated on the unpaid portion of the unpaid balance of the account.  
 D. Payment shall be applied to the late payment fees and secondary to the outstanding balance from time to time.  
 E. The applicant shall promptly notify APPLIANCE PARTS COMPANY of any and all changes in address, name of business, ownership or of any other changes which may be material in determining whether APPLIANCE PARTS COMPANY will continue to grant credit to the applicant.  
 F. That APPLIANCE PARTS COMPANY may make such inquiries of the applicant as are required and as it deems fit at any time relating to the information contained herein and including but not limiting to the foregoing of any renewals or extensions hereof and any information concerning the business of the applicant.  
 G. Applicant and Guarantor(s) understand and agree that if any invoice is not paid in full within the time stated herein, Seller may, in its discretion, refuse to release any further materials until the account is brought current, regardless of whether additional material had been previously ordered. Credit is conditioned on Applicant and Guarantor(s) continuing to meet Appliance Parts Company Credit Policy
